Figure 1 is a schematic diagram of a circular structure. It features a central vertical line and two diagonal lines that intersect at the center, forming a cross-like shape. The diagram is labeled with 3, 5(6), 2, 31, and 7. The label 3 points to the top edge of the circular structure. The label 5(6) points to the central vertical line. The label 2 points to the top-right diagonal line. The label 31 points to the left side of the circular structure. The label 7 points to the bottom-right diagonal line.
